How to Watch a Good Program Die

Nothing kills a recreation program faster than residents who wait until the last minute to register. There is a point when a program must be cancelled or modified if there is insufficient registration. All programs require a high level of coordination often including facility scheduling, staffing, volunteer recruitment, and purchasing of supplies.

Photo Policy

Participants permit the taking of photos and videos of themselves and their children during Parks, Recreation and Community Services Department activities, programs, and special events for publication and use as the department deems necessary.

Volunteers

Many of our programs depend on volunteer help. If you wish to put your expertise to use in a program or would like to find out what volunteer opportunities are available, please call us at 891-5015.

Sponsorship

The Parks, Recreation and Community Services Department has many opportunities for sponsorships. We offer only first-class, quality programs and special events. If you are interested in how we can help you reach your customers and promote your business, contact Connie Peterson at 891-5015.
